

WHAT DOES IT MEAN TO BE A CHAMPION?

It's not just about winning. It's about achieving. It's about rising above all others to make the kind of difference that's meaningful, important, lasting. This exclusive group of the Tye Club's most dedicated champions is made up of individuals and families whose commitment to supporting UW student-athletes has topped \$1 million over time in outright gifts.

Together, members of the Tye Club Champions Circle have donated significantly to UW Athletics providing life-changing scholarships, erecting world-class facilities and helping to build competitive teams and create well-educated student-athletes.
